

MONOFUSE – The Point Of No Return

## Get up

Verse

I go walking down the street  
Watch the people that I meet  
See the faces young and old  
Frozen eyes staring so cold

I walk down another lane  
Look around but see the same  
Try to find a little smile  
Just to warm me for a while

I don't like the way they speak  
They complain about the weak  
It's the world they wanna see  
All are equal but not me

They do not appreciate  
What they have and what they've gained  
Being never satisfied  
Lost the sense of what is right

### **Chorus**

Get up now  
Turn around and make a change  
Get up now  
The time has come to rearrange  
Get up now  
Free your mind for an exchange
